*Nancy Ragon - Nancy was a regular forward for four years. She was the leading scorer this year. She earned positions on the All-Conference and the All-County teams. Her fine shooting, hustle, and desire made her very valuable to the teams.

*Judy Scott - Judy played guard for four years. This year she earned positions on the All-Conference and the All-County teams. Her alertness, speed, and ball-handling led many to regard her as one of the best guards in this part of the state.

*Freda Stoops - Freda is another senior who won position on the All-County team and second on the All-Conference team. She had great desire and was a standout on rebounding from the post-guard position.

*Donna McKelvey - Donna is a senior who contributed much to the team even though she didn't play regular. She had a lot of desire and was always ready to help whenever called upon. Donna played forward.

Linda Robinson - Linda is a junior who played guard. She has good speed and hustle. She played regular a good share of the season. We are looking forward to having her back next year.

Jean Fitz - Jean is another junior guard who played regular a good part of the season. She is a good ball-handler with plenty of desire. She will be back next year to contribute her effort to the team.

Mary Jo Burger - Mary Jo played a regular forward for the team this year. Her deadly shooting from out-front and her accuracy from the free-throw lane made her very valuable to the team. She was runner up on the Sectional Free-Throw Contest. Mary Jo is also a junior.

Shirley Chambers - Shirley was a junior forward who helped out many times this year. Her speed, deadly passing, and desire made her a valuable part of the squad.

Pearl Lager - Pearl is a sophomore who played forward. Her shooting is improved and we hope she will be playing a lot of ball during her next two years.

Brenda Lounsberry - Brenda was a regular forward this year. Her speed and hustle were very valuable to the team. Her shooting is improved and we expect great things from her in the future as she is just a freshman.

Karen Fox - Karen is a freshman guard. She helped us out at times this year. She is a good ball-handler and is very alert. We hope she will help to replace the guards that graduate.

Karen Murray - Karen is also a freshman playing post guard. Her height helps her to be an effective rebounder. She has three years left and we are expecting her to be a good guard.

Jean Travis - Jean is a freshman forward who has a good eye for the basket. She has the desire and the ability to be a good forward in the next three years.

Boys' Basketball

FIRST ROW: A. York, D. Hays, B. Smith, H. Garwick, M. Wineland. SECOND ROW: B. Wagner, B. Fox, E. Longmire, J. Millen, L. Hawbaker, D. Hoover, Coach Parr. THIRD ROW: D. Finch, B. Fenn, B. Silkebaken, L. Harms, K. Milburn, F. Wineland, C. Ritland.

*Gus York - Guard, was a good shooter and a good hustling defensive player. Gus will be hard to replace next year. He made the All-Conference second team.

*Dan Hays - Forward, a good rebounder and a good close-in shooter. He could drive in from either side and he liked to shoot on the rebounds. Dan made the Conference second team also.

*Bob Smith - Center, he had a good hook shot and a turn around jump shot. He was also a good rebounder. He worked hard enough his senior year to rate a place on the Conference first team.

*Brad Fox - Guard, a reserve player who saw little action but was a good player when he did play.

*Ed Longmire - Guard, another reserve who played little but played hard when he played.

Howard Garwick - A junior forward, who was a good rebounder and had a good jump shot. He will be around next year to lend his height to the team.

Max Wineland - Junior guard, a good outshooter and a good scrapper for the ball. Max has another year in which to use his shooting skill.

John Millen - Sophomore center, has a good left-handed hook shot and is a good rebounder. He has two more years in which to help the Mustangs.

Larry Hawbaker - Sophomore guard, a good left-handed shooter and floor player. Larry saw a fair amount of action and will be a great help the next two years.

Dave Hoover - Freshman forward, a good young player who is a good shot and a good ball handler. Dave could become a very good player in three years.

*Senior

There are seven other players on the squad and all of them are good players. They will go a long way toward having a winning team in future years.

Mention should be made of the managers who helped the squads tremendously the past year. Bob Wagner and Paul Rhinehart were the football managers and Bob continued on in the basketball season. Carolyn Mortimer and Linda Rhinehart were the girls' managers. All of these people did a commendable job the past season.

*Allen York - Gus, a left halfback, was probably the fastest and shiftiest runner on the squad. He ran a reverse play very well for as much as 40 to 73 yards. He was honorable mention on the All-Conference team.

*Ed Longmire - Ed, a fullback, called the plays and carried the ball on short yardage. His best play was a slant through the right side of the line. He had a yearly average of nearly four yards a carry. He was chosen on the All-Conference team.

*Bob Smith - Bob, center, was a good defensive player. He played defensive end and played consistently in holding down the running around his end. He is a good center and will be hard to replace.

*Larry Whitacre - Larry, a right end, was a good pass catcher and blocker. He caught several touchdown passes and several for points after touchdown.

*Jim Herr - Jim, tailback, was a hard runner and a good passer. He also played center occasionally. Jim was the kick-off man. He was honorable mention on the All-Conference team.

*Bradley Fox - Brad, a back, was a player who had about everything but size. He was a good tackle and a good blocker.

Jerry Benz - Jerry, a junior center, saw a fair amount of action and was a fine player. He will probably play center next year.

Steve Ritland - Steve, a junior end, saw a lot of action and improved as the season progressed. He will be counted on next year.

Lawrence Royer - Lawrence, a junior guard, was a good blocker and a good defensive player. He could be counted on for the same consistant type of play every game.

Earl Lingelbach - Earl, a junior guard, was a good blocker and a good defensive player. However, Earl moved to Boone.

Keith Baker - Keith, a junior reserve, saw little action, but will be back next year fighting!

Larry Hawbaker - Larry, a sophomore tackle, played fine ball, and will be counted on for the next two years. He was a good blocker and could run if it was necessary.

John Millen - John, a sophomore tackle, was another good player who improved near the end of the season. He will be a strong point in the line for the next two years.

Roger Keuhl - Roger, a sophomore back, saw a good amount of action during the 1956 season. He, also, will be needed for the next two years of football for the Mustangs.

Wendell Adamson - Wendell, a sophomore reserve, was a fine passer and a good receiver. He caught one touchdown pass.

Carl Kinney - Carl, a sophomore reserve, will be looked upon for help in the next two years.

The nine freshmen are, David Hoover, Craig Ritland, Bob Silkebaken, Fred Ward, Duane Gannon, Butch Fenn, Keith Macumber, Gilbert Robinson, and Dave Finch, are a promising group of football players that will make up the core of the squad the next three years.
